

The following is a list of ingredients used in various recipes that are served to clients of Meals on Wheels as dictated through our menus.

Regular and modified menus are approved by a registered dietitian to ensure proper nutrition for older adults. It is the client's responsibility to ensure physician's recommendations are followed.

Every effort will be made to provide the selected menu, but occasionally there may be a substitution served due to circumstances beyond our control.

Menus are subject to change. In addition, substitute ingredients may be used due to circumstances beyond our control with vendors.

Exact serving sizes and detailed nutrition information is available upon request.

For questions or concerns about the menu or for the most up to date ingredients please call Amber Goines at 740-681-5050.
