Dear Friend,

This year, more than ever, it is important to let our seniors know, they are **NOT FORGOTTEN**. During the month of March, all across the country and here in Fairfield County, communities will come together to take a stand to make sure the 9.3 million seniors nationwide struggling with isolation and hunger are not forgotten through the March for Meals Campaign. Meals on Wheels solution is an essential and necessary service to effectively care for our senior neighbors and consists of a collaboration of community organizations, businesses, and an army of volunteers working together to deliver a meal, a safety check, and a smile each day. Locally, Meals on Wheels of Fairfield County reaches over 2,500 older adults annually with nutrition or other supportive services to assure health, connection, and independence.

**March for Meals will be a virtual 5k run/ 1 mile walking event this year.** Participants can sign up on line and run or walk at any time and any place! This year's event is especially important as we raise awareness and funds to support the amazing work we do in the community to ensure our senior neighbors are cared for. We are offering participation from among three sponsorship levels and the opportunity for your co-workers to join the march with a virtual 5k or 1 mile walk they perform any time during the month of March! We all need a little team building after the past year of virtual meeting, teleconferences, and working from home. Walk on a lunch hour, schedule a morning weekend run with friends, do whatever works best for you.

**We need your help to make the event a success.** The senior population is growing rapidly which has resulted in an increased demand for services, especially during the pandemic. We are determined to raise the funds necessary to ensure seniors who need our help, get our help. Please join us in our mission by becoming a sponsor for the virtual event by choosing from among the sponsorship levels on the enclosed flyer and support our goal of raising \$20,000 through the campaign.

In gratitude,
