

PI DAY FUNDRAISER ORDER FORM

During the month of March, all across the country and here in Fairfield County, communities will come together to take a stand to make sure the 9.3 million seniors nationwide struggling with isolation and hunger are not forgotten through the March for Meals Campaign. Meals on Wheels is an essential and necessary service to effectively care for our senior neighbors and consists of a collaboration of community organizations, businesses, and an army of volunteers working together to deliver a meal, a safety check, and a smile each day.
